

Midnight Squares  
Membership Meeting Minutes  
February 7, 2010

Ed called the meeting to order at 3:35 and an attendance Sheet was circulated

**Minutes:**

Minutes from the December 20, 2009 meeting are posted on the website. There were no questions, additions or corrections to the minutes.

**Treasurers Report:**

It is club policy not to include the detailed report in the minutes, but it should be noted that we continue to have a healthy balance. The Treasurer's report was distributed and reviewed by Sam. All Treasurer's reports are available on request to all members.

Howard asked why we have such a healthy balance and if we need that much. Steve commented that it has grown slowly but steadily over the years. It grows about \$1000 per year.

Harlan brought up the low fees that callers are paid. During discussion it was moved and seconded that a committee be appointed by the administrator to study the possibility of increasing callers fees and that the committee survey local clubs as to what they pay callers for club and class nights. The committee will also ascertain bay area club and dance night fees, and bring a recommendation to the next club meeting. The motion passed.

It as also moved and seconded to send IAGSDC \$100 in the name of a banner dance.

The motion passed.

It was moved and seconded to increase callers' fees to \$40 for club nights from this date forward and to ask the committee on callers' fees to make a recommendation on class instructors' fees for this year.

The motion passed
